Kitchen & Bath Cabinets Warranty

Lifetime Limited Warranty.

Cabinets To Go warrants to the original consumer purchaser, for as long as they own their homes, that Cabinets To Go cabinetry, hinges, drawer glides, and drawer/door hardware ("Products") shall be free from defects in material and workmanship under normal use. This warranty is only applicable to Products used in residential applications within the United States or Canada. This warranty is ONE-TIME transferable after the Original Consumer Purchaser. Original Consumer Purchaser means the person who owns and occupies the home in which the Product is initially installed or purchases the dwelling from the builder/contractor/developer and is the first occupant of that dwelling.

What This Warranty Does Not Cover: The Limited Warranty does not apply to Product: (i) installed outdoors; (ii) used for purposes for which it is not designed or intended by Cabinets To Go; (iii) which has been subjected to misuse, vandalism, abuse, negligence, or accident; (iv) which has been improperly stored (if Product must be stored, it should be covered and stored in a humidity/temperature controlled environment away from direct sunlight); (v) which has been improperly installed, cleaned, or maintained; (vi) which has been subjected to improper temperature and/or humidity extremes (temperature outside the range of 50-85°F, humidity outside the range of 30-55%); (viii) fire, flood, and acts of God; (ix) exhibiting normal wear and tear; and (x) not purchased in, or installed in, the United States or Canada.

In addition, natural woods may vary in color and characteristics and exhibit subtle changes as they age. For example, painted doors, drawer fronts, and face frames may eventually have visible cracking around the joint area, and cabinet colors may be darker or lighten over time. Sunlight, smoke, and other environmental conditions may also affect the color and integrity of the Product finish or appearance over time. These variations are considered to be the nature of the material in relation to their environmental exposure and are not covered under this Limited Warranty. Certain household cleaners and other substances may also affect the color and integrity of the Product's finish or appearance over time. Avoid using abrasive cleaners, cleaners that contain chlorine, acidic cleaners, scuffing sponges or steel wool because they may scratch and affect the color or finish of the Products. Any such effects on the color and/or integrity of the finish or appearance over time are not covered by this Limited Warranty.

Warranty Holder's Sole and Exclusive Remedy Under This Limited Warranty. In the event of non-conformity in workmanship or materials in one or more components of the Product, Cabinets To Go's sole obligation is, at its sole option, to repair or replace any non-conforming component. This is the warranty holder's sole and exclusive remedy for the Product under this Limited Warranty. By way of example but not limitation, the following costs and expenses are not covered by this Limited Warranty: (i) labor costs for the removal, or reinstallation of the Product, or non-conforming part thereof; (ii) labor costs or material charges for the removal, reinstallation, refinishing of other items or building materials (such as, but not limited to, counters, sinks, tiles, flooring, or plumbing fixtures) which must be removed, replaced, reinstalled, or refinished in order to repair or replace the non-confirming Product.

When a claim is submitted, Cabinets To Go may, at its sole option and after inspection, defer action for 12 months to allow the Product to acclimate to the installed environment. The repair or replacement obligations under this Limited Warranty are contingent upon the current Product offerings of styles and construction options within the Cabinets To Go Product line at the time of the warranty claim. This warranty is limited to the replacement of defective parts and does not include service, labor, or transportation charges related to the removal or installation of defective parts. This warranty shall not apply to Cabinets To Go cabinetry or parts that have been subject to alteration, modification, accident, abnormal use, extreme temperature, moisture levels, or abrasive/citrus cleaning chemicals. Touch up and adjustments are not included under this warranty and are the responsibility of the installer. You will be required to provide your order number, receipt, warranty certificate and pictures of the defect. If a warranty claim is filed for an

obsolete Product and Cabinets To Go elects to repair or replace the non-confirming obsolete Product, Cabinets To Go reserves the right, at its sole option, to honor its repair or replacement obligations under this Limited Warranty by either: 1) replacing the affected component with a new component of the same style or approximate color; or 2) replacing the affected component and any other component(s) to achieve a uniform appearance with a similar and comparable product style or approximate color of the originally purchased style. If components are replaced or repaired, Cabinets To Go cannot guarantee that the finish and appearance of other Product installed at the premises. This is due to the changes that occur during the cabinetry woods' natural aging process, affecting its color and grain.
